Summary

Highly motivated Software Engineer graduating from Delta Technological University in July 2024 with a Bachelor's in Software Engineering. Proven experience developing mobile and web applications, with a strong focus on Flutter and a solid foundation in Java, Python, and SQL. Currently participating in the prestigious "Egypt Digital Leaders" scholarship program, honing my skills in mobile app development. Eager to contribute my passion for innovation and problem-solving to a challenging software engineering role.

Technical Skills

- **Languages:** Dart, Java, Python, C++, SQL, JavaScript (Basic), PHP (Basic)
- **Mobile Development:** Flutter
- **Web Development:** PHP (Basic)
- **Databases:** Firebase, MySQL
- **Operating Systems:** Linux (Proficient)
- **Networking:** TCP/IP, Routing, Switching
- **Tools:** Git, Version Control

Projects

- **Zena Box App (Graduation Project):** Developed a Flutter-based mobile app to manage and control a smart safe box. Designed and built the physical safe box, integrating it with the app for secure access and control.
- **U-Learning App:** Created an interactive educational app to enhance the learning experience for users (Flutter, Dart, Firebase).
- **Chat App:** Built a real-time chat application enabling seamless communication (Flutter, Dart, Firebase).
- **News App:** Developed a news aggregator app that efficiently gathers and presents news from various sources (Flutter, Dart, REST APIs).
- **Weather App:** Created a weather app providing accurate and up-to-date forecasts (Flutter, Dart, REST APIs).

- **Booking App (In Progress):** Developing a booking platform to streamline the reservation process for various services (Flutter).

Education

- Bachelor of Science in Software Engineering, Delta Technological University (Expected Graduation: July 2024)

Training & Certifications

- **Mobile Application Development:** ITI (Information Technology Institute) (Feb 2022)
- **Flutter Development Courses:** Udemy (Completion Date: [Month, Year])
- **Web Application Development using PHP:** (60 hours) (Completion Date: [Month, Year])
- **Egypt Digital Leaders Scholarship:** Mobile Application Development track (April 2024 - November 2024)

Strengths

- **Problem-Solving:** Proven ability to analyze complex problems and develop efficient solutions.
- **Fast Learner:** Quick to grasp new technologies and concepts.
- **Teamwork:** Collaborative and effective communicator, thriving in team environments.
- **Passion for Technology:** Eager to stay updated with the latest trends and advancements in software engineering.

Languages

- **Arabic** (Native)
- **English** (Very Good)
